⚠ CAUTION

1. Keep out of reach of children.
2. Use only the adapter supplied with the unit.
3. Make sure the unit's rated specifications match the local power supply and voltage conditions before operating.
4. Always unplug the adapter when not in use.
5. To avoid fire hazards, never wrap the adapter with cloth or paper, and never put the cord under rugs or near heating elements.
6. DO NOT operate any appliance with a damaged cord or plug, after the appliance malfunctions, or if it has been dropped or damaged in any manner.
7. DO NOT attempt to repair or adjust any electrical or mechanical functions on this unit. The inside of the unit contains no user serviceable parts. All servicing should be performed by qualified personnel only. Contact your local dealer.
8. For indoor use only.
9. Do not immerse in water.
10. Make sure to disconnect the adapter prior to moving or cleaning the unit.
11. This device is designed for personal household use only. It is not a medical device.
12. Not intended for use by persons with reduced sensory or mental capabilities
13. If you have any medical condition, or concerns regarding your health, consult your healthcare provider prior to using this device.
14. Do not use if you are pregnant or wear a pacemaker.
15. Never use while sleeping or drowsy.
16. Do not use on one body part for longer than 20 minutes at a time.
17. Be careful not to apply excessive pressure to the body, especially to sensitive areas like the neck and lower back.
