Thank you for purchasing the Sharper Image 10X Lighted Folding Travel Mirror. Please read these instructions prior to using this device for the first time. In addition, please store this guide for future reference.

FEATURES
- 10X DFP distortion-free magnifier
- 24 PCS build-in LED bulbs
- Scratch resistant glass

HOW TO USE
1. The mirror is powered by 1000mAh li-polymer battery. It can be recharged with a 5V power supply or computer by the provided USB Cable.
2. Unfold the mirror and sit in front of your face on a flat, hard surface.
3. Gently touch the circle touch sensor on the mirror to activate or turn off the bright, cosmetic light.
4. Keep your finger on the power switch to adjust the light brightness to your liking.
5. Use to remove facial hairs and apply makeup.

Note: The stand folds to act as a cover for storage or travel.

CARE
1. Clean the mirror with any mirror or glass cleaner.
2. Clean the frame with a damp cloth. Do not immerse the unit into water. Do not use harsh or abrasive cleaners.
3. Never expose the magnifying mirror to direct sunlight. The sun’s rays may become focused and cause excessive heat.
4. Never try to disassemble this unit or you will void the warranty.
